

Overview Membership

In the following, you can find the different User Accounts we have actually defined. Depending on the functionality, we differentiate between

- Basic
- Advanced
- Professional Users.

Besides there are further subcategories for the Professional User with

- Single
- Team
- Enterprise
- API
- Premium Partner.

User Account	Basic	Advanced	Professional
Functionality

Trial Period

In general, a Two-Days-Trial period can be setup for you for initial testing of the Professional User.

1) Professional User - Single

Professional User - Single	Duration	Price (per Month & User)
1 User	1 Month	EUR 129,00
1 User	3 Months	EUR 109,00
1 User	6 Months	EUR 79,00
1 User	12 Months	EUR 59,00

2) Professional User - Team

Professional User - Team	Duration	Price (per Month & User)
3 Users	1 Month	EUR 109,00
3 Users	3 Months	EUR 89,00
3 Users	6 Months	EUR 69,00
3 Users	12 Months	EUR 49,00

3) Professional User - Enterprise

Professional User - Enterprise	Duration	Price (per Month & User)
10 Users	1 Month	EUR 69,00
10 Users	3 Months	EUR 59,00
10 Users	6 Months	EUR 49,00
10 Users	12 Months	EUR 39,00

4) Professional User - API

For EDI Service Providers and EDI Software Distributors we are also providing services based on an application programming interface. This we call Professional User- API. With this User you can easily integrate our service in your EDI-Portal or EDI-Service for example.

The price for this has to be discussed in detail based on your technical requirements, duration and the pricing method.

Video Tutorials

Before you decide on the required User account, you can have a look in our EDI Tutorial section with different videos:
